General Information

Covid-19

Covid-19 protocol

Hereby you receive the protocol details regarding Covid-19, to avoid outbreaks and infection on sport center Papendal. The sport center and the hotel have been working very hard to stay open and to create the possibility to execute and organize sports again. Therefore we ask you and the team to carefully respect their rules and read this message well.

Anyone not complying with the conditions of participation described in this protocol will not be eligible to stay at the sports center or hotel.

The rules in this protocol are to be respected but teams with even more strict rules are free to follow and execute their own protocol regarding testing etc.

The facilities of sports center Papendal will only be available to teams and athletes that stay at Hotel Papendal and / or Sports center Papendal and consequently follow this protocol.

Traveling to the Netherlands

Procedure to get a Note Verbale or invitation letter for the BMX World Championships (from country with a entry ban)

- Participant and staff register with the UCI for the BMX World Championships
- UCI provides the participant and staff list to the BMX World Championship organization.
- Each participant and staff to the BMX World Championships organisation receives a Note Verbale or invitation letter.
- BMX World Championships organisation shares the competitors list with the border police.

In addition, riders and staff outside Europe must comply with the usual entry regulations. For more information, please visit the website of the Dutch government: <https://www.government.nl/topics/coronavirus-covid-19/visiting-the-netherlands-from-abroad/exemptions-to-the-entry-ban/elite-athletes-and-their-support-staff>

(The PCR test required to enter the Netherlands can also be used as the PCR test for the event / Papendal)

For all riders of BMX World Championships, the quarantine obligation does not apply to those coming from very high risk area. See: [Exemptions to the mandatory quarantine requirement | Coronavirus COVID-19 | Government.nl](#)

COVID-19 Protocol

Sports Centre Papendal
&
Hotel Papendal
Hotel Van der Valk Arnhem

Before arrival at Papendal

We will require the following information and documents of your team:

- Name and surname of participants (participant = all members of the participating delegations: athletes, coaches, physios, etc.)
- Name, surname and contact of Team Manager (one for each delegation) who will be responsible on site.

Arrival and stay at Sports Centre Papendal – Hotel Papendal

- All team members (athletes and staff) will take an antigen test (rapid test) for SARS-CoV-2 at arrival.
- These tests will be organized by LOC Papendal.
- Antigen tests (rapid test) are held in a meeting room at Hotel Papendal
- Repeatedly all team members (athletes and staff) will take an antigen test (rapid test) for SARS-CoV-2 **every day**.
- The antigen test can be taken every day from 08:00 to 10:00 at Hotel Papendal.
- Saturday 21 August (evening before the race) test can be taken from 16:00 to 22:00 at Hotel Papendal
- You have to bring your ID when you take the tests.

Costs antigen test:	€ 25,00
Cost PCR test:	€ 75,00
Cost PCR test (incl certificate)	€ 95,00

Arrival at Hotel Papendal

- The delegation manager takes all documents to register everyone at the Reception desk. Others stay outside until room keys are received. Social distancing must be observed. **No room change is allowed.**
- All participants have to take their luggage, wear masks and proceed DIRECTLY to their own room.
- After you have placed your luggage in your room, you will go to the covid-19 test location in hotel Papendal.

- The antigen (rapid test) will be taken by certified medical people.
- In the waiting room at the test location you take a seat on a chair and wait for the test result (approximately 15 minutes)
- **ONLY after the negative test result is obtained**, the participants are allowed to leave the waiting room.
- Following the rules in this protocol, it is allowed to walk around outside, but stay on the Papendal site.

For the meals, a separate room is set up in the hotel where the teams can have breakfast, lunch and dinner.

Quarantine

- Anyone tested PCR positive for SARS-CoV-2 virus at any time is to be quarantined in a single hotel room. It is not allowed to leave the hotel room during the period of quarantine.
- Persons can only leave quarantine if they are symptom free for at least 24 hours, and upon expiration of a minimum 7 days period.
- If a person is **PCR negative but was in close contact** with a positive person, he/she will be quarantined in a single room as well and monitored for 5 days. On the 5th day after the last contact with the positive person (day of contact is day 0), a PCR-test will be performed. In the waiting period the person stays in quarantine. If the test result is negative, the person is allowed to go out of isolation (decision of local Health Authorities). If the test is positive, then see the rules above.
- Additional measures can be required by local health authorities (epidemiological service) and will be applied on case to case basics.
- The hotel room of anyone that is quarantined will not be serviced by hotel housekeeping. Fresh towels and linnen will be provided for in a laundry bag. Meals will be brought to the room on a serving tray. Disposable plates and cutlery will be used.

Reporting COVID-19 related symptoms

Anyone who shows any of the symptoms below must stay in their room and inform their Team Manager **and** the Papendal covid-19 coordinator.
